Hi Friend!

Can you believe that it has been almost a month since classes started? We hope that you have settled in and are enjoying your academic experience at GW. As a reminder, today is September 26th, and it is National Voter Registration Day! Whether you are a GW student, faculty member, or staff member, we encourage you to exercise your right to vote. Democracy isn’t perfect, but it is the best system we have, so let’s work to make it better.
